Case No. 3:05-cv-00283-TMB

Memorandum in Support of Defendants' Joint Motion for Extension of Time

The two different sets of Defendants have each filed pre-answer motions to dismiss under Civil Rule 12. Deans filed an opposition. The School District Defendants' Reply was due on January 31; the State Defendants' Reply was due on February 1.

The Defendants have been working together to file a single reply. Counsel for the School District Defendants has taken the lead on the reply, and has been working diligently to file a reply in a timely manner. Given that the plaintiff is not represented by counsel, however, the issues in this matter are somewhat obscure. After conferring, the counsel for the Defendants have determined that they need until February 2, 2007 to complete and file a single reply memorandum.
